Section 6: Application Notes

There is deliberately not enough space above to fully answer the questions, so please attach extra sheets to this application form. You must also include more information to support your application, such as a curriculum vita, references, your personal Scouting history, etc.

It is not considered acceptable simply to reuse an application made for a voluntary staff season at Kandersteg International Scout Centre.

Section 7: Declaration

I confirm that I have read the Staff booklet and the additional Long Term Staff information. If I am selected to join the Long Term staff team at Kandersteg International Scout Centre, I agree to abide by the rules and regulations that apply to all staff. I understand that it is essential to be flexible in my job according to the daily work situation.

I am prepared to commit myself fully to the future development of the Centre and to share the responsibility of training, supervising and caring for the seasonal volunteer staff.
