Special Diets & Allergies

KISC's kitchen facilities are operated by volunteer staff and all dietary requirements are catered for up to the best of our ability. We cannot guarantee food to be 100% allergen free. If suffering from a severe food allergy, it is at the guest's own risk to eat KISC catered meals.

Certain diets, such as gluten free, dairy free, or any food allergies need to be booked no later than 7 days in advance. If dietary requirements are not communicated in time, KISC cannot necessarily cater for the required diet or allergy. For some dietary requirements we need as many details as possible – how severe it is and what exactly the person can eat. We're not specialists and need as much information to be able to cater appropriately. We might not be able to cater for all allergies and KISC may deny catering for certain dietary requirements. Price differences for special diets may occur.

Self Catering

Staying in the Chalet - Guest Kitchens

For 10.00 CHF per day, you can rent a basic kitchen for your group.

Guest Kitchens need to be booked in advance and can only be booked once a prepayment has been made (ie: your booking is confirmed).

In summer, Guest Kitchens are available only for groups staying in the Chalet. During busy times you may have to share with another group.

All the kitchens have basic cooking equipment that you would find in a normal household kitchen; cooking utensils, fridge, oven and four cooking hobs as well as glasses, plates, bowls and cutlery for up to 30 people per kitchen. We have **one** kitchen that can cater for up to 50 people.

There is a kitchen included in both the Tower and Kanderlodge accommodation, at no extra cost.

Staying on the Campsite – Cooking Sets

If you're staying on the Campsite you can buy barrels of wood for CHF 5.00 each and rent cooking sets from us to cook with (CHF 6.00 per day). Please see our [Equipment for Rent](#) page to see what is included in a cooking set. We also sell propane (CHF 6.- per KG) and butane gas (CHF 16.- per KG).

All our guests can place food orders with us; this makes it easy to get milk, bread, vegetables and other food items you need. Some food items need to be ordered at least a week in advance. However, some more common items can be ordered the day before they are needed. These are detailed on the food order form. We suggest placing an order before arriving, please fill out a food order form and email it to reception@kisc.ch. Food order forms are also available at reception.

Please note that Swiss Duty Laws allow only for one day's food to be brought into Switzerland.

Food Orders

If you have decided to self cater we offer a wide range of food products to purchase direct from the Centre. A food order form can be downloaded [here](#).

If you wish to order, simply come to Reception **before 10.00** to place your order for the next day. The next morning your order will be available for pick up from 07:30 onwards from the buffet. Certain items can only be ordered weekly. For your convenience the costs will be added directly to your bill along with accommodation and activities.

If you have a large group it is advised to place your food order before you arrive to avoid disappointment.
